How the Election Was Conducted in Louisville, Kentucky.

Congressman Wheeler, Democrat of Kentucky, who has just arrived in Washington, has this to say :

"As to the statement that not a single militiaman was seen on the streets of Louisville on election day until after the polls closed, these are the facts: A regiment, 800 strong with 10,000 rounds of ammunition and two Gatling guns, without warrant of law and over the protest of the mayor, chief of police, and sheriff of the county, was assembled at an armory in Louisville, and during the day marched the streets, and immediately after the polls closed, or just before. took possession of several voting places; terrified the precine election officers, and turned over the ballot-boxes to men who had nothing to do with the election machinery of the State. During the entire day of November 7 a mob of thugs and toughs, hired by a corporation, armed with pistols and bludgeons, ass-mbled at nearly every voting place in Louisville They threatened to hang the precinct election officials and do personal violence to any man declaring his intention to vote for Goebel.

"If fair-minded people believe that an election can be held under circumstances detailed above, they have but to take the registration books of L nisville and see that 10,000 registered voters in that city were intimidated to such an extent they did not vote. The contest in Kentucky was not between the Democrats and Republicans, but was a fight between the Louisville and Nashville Railroad, with the Republicans assisting, on the one side, and the Democrats on the other. Goebel has been honestly elected, and I have no doubt that a decision will be rendered in his favor.

The militia, it will be remembered. were ordered out by the Republican Governor Bradley

Millions Given Away.

It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr King's New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles of this great medicine; and have the satisfaction of knowing it ha-absolutely cured thousands of hopeless cases. Asthma, Bronchitis, Hoarsenes-and all diseases of the Throat, Chest and Lungs are surely cured by it. Ual on M. M. Lewis, Druggist, and get s free trial bottle. What Joubert Says.

The Deutsche Zattung, of Berlin, Germany, publishes a letter purporting to come from Gen. Jonbert, dated Ladysmith, October 27, in which the writer

"Even if we do not succeed in preventing the concentration of General Buller's troops, the British army will be weakened from natural causes to such an extent that not more than 35,-000 efficient troops, or 40 000 at the outside, can take the field. The other must be employed to protect commun cations. In this connection it is to b borne in mind that not only Natal by Cape Colony, with a base of operation covering 485 miles must be considered

"Our bases of supply are at home au organized on the relay system in thre directions. To protect these does not require 500 men. If one base should be seriously threatened, the supplies there concentrated will be destroyed.

'A war of defense, of which we need not think for a considerable time, would present far greater advantages than an offensive war. We are at home in the highlands of the Transvasl and the Orange Free State. The British will have to contest every step under inconceivable difficulties, and must be prepared at every moment to fight on two or three fronts.

"Then will begin a guerrila war, which the British will not be able to endure. Already we have 50,000 men in the field, so we do not need to calculate upon a rising of the Boers in Cape Colony and Natal. Nevertheless, if the British stir up the natives and employ them to fight us, a rising of the whole of Afrikanderdon is certain."

Brave Men Fall

Victims to stomach, liver and kidney troubles as well as women, and all feel the results in loss of appetite, prison-in the blood, backache, nervousness, headache and tired, listless, run-down headache and tired, listless, run-down feeling. But there's no need to feel like that. Listen to J. W. Gardner, Idaville, Ind. He says: "Electric Bitters are just the thing for a man when he is all run down, and don't care whether he lives or dies. It did more to give me new strength and good appetite than anything I could take. I can now eat anything and have a new lease on life." Only 50 cents, at M. M. Lewis' Drng Store. Every bottle guaranteed.

MRS, M. E. TOMPKINS,

Washington as a Mason.

A dispatch from Morgantown, W. Va., says: "West Virginia Masons who have learned of the attack made on the Masonic record of G-neral Washington, through advance sheets sent out by the National Christain Association, express the greatest indignation. The advance sheets are from the Christian Cynosure, an antisecret society publication in Chi-cago. Col. Robert White, of Wheel ing, who has been chosen Grand Marshal of the Masonic ceremonies attending the observance of the one hundredth anniversary of the death of Washington to be held at Mount Vernon on December 14, said Wednes day night:
"This attack is the meanest thing I

ever saw in a Christian publication. It asserts that Washington was practically a seconding Mason from 1768; that in 1793 his opinions had not changed, and that he was never a Grand Master or master of any lodge. Grand Master or master of any lodge.
Now this is all bosh. Washington as the became an entered apprentice in Fredericksburg, (Va.) Lodge No. 4, November 4, 1752, passed to the sec nd degree March 3, 1753 and was made a master Mason August 4 1753. Alexandria Washington Lodge No. 22 was chartered April 28, 1788 with Washington as a charter member, and he was made a worshipful master on May 29, 1788. The lodge still has in its possession this same old char ter, which gives the lie direct to the Chicago claims . Not only that, but the lodge still has the Masonic apron Washington were as master of the lodge. I also saw only last Wednesday snother Masonic apron presented to Washington by Lafayette, and which now belongs to the ledge of Masons in Shepherdstown. I have also seen Masonic records bearing Washington's own signature, after the time it is claimed Washington be the time it is claimed washington became a secoding Mason. There is nothing at all in the story."

In the attack referred to above it was stated that Kansas Masons dis

approved of the proposed ceremonie In reply to this Colonel White showed a letter from the grand lodge of K -nsas promising the presence of the grand lodge officers. He has also received letters from the grand lodge flicers of Nebraska, North Carolina West Virginia, Florida, Onio, Mary and and other States promising large del-gations Virginia alone will send 1 500 M sons.
